Chairman Message

As Pakistan's largest and pioneering business establishment, The Everbright Group of Companies (Pvt) Ltd. has a long track record of impressive achievements. We believe that the Ports and Shipping sectors are important vehicles for economic growth, global integration, infrastructure development and promotion of industrial and commercial activity. We have largely succeeded in translating this belief into pulsating and positive resultant action.

As a Group, our driving goal is to grow, succeed and become a leader in every business that we engage in, whilst adhering to our values of integrity, respect and commitment to excellence.

We bring our traditional family values of fairness, honesty and trust to bear on modern and innovative ways of working and developing our business and associated relationships.

We have grown to become one of the largest groups in the Country through sound financial management, a talented human resource pool, and the ability to create and avail business opportunities that fit our values. This has resulted in the Group assuming a leadership position in several of the businesses.

We will continue to build partnerships with our customers, through knowledge, ingenuity and commitment of our people as well as through the products and services we offer.

We have always adopted the best management practices and acquired/used latest technologies to improve our business efficiencies and achieve economies of scale.

Our goal is not just to build a great enterprise for our stakeholders but also to enrich and give back to the communities in which we operate. We ensure that as our businesses grow, the communities around us get the right opportunities to develop as well.

As a successful entrepreneur and good corporate citizen, we continue to play our role in the economic development of Pakistan. We care for the environment, communities and business associates.
